

Warranty/Repair

We strive to make only top-quality equipment to withstand the abuse of skiing. No one wants down time shipping gear back and forth for warranty. Our hardware is proven tough and durable and we want to be sure you can use the products for years to come. We cover the product for any problem that might occur due to a manufacturing defect. The standard warranty period is 2 years from the date of purchase, but we stand behind our product and will consider warranty issues past the standard 2-year term.

Instructions

Contact
Warranty@casttouring.com
before shipping to make sure your product is covered.

Fill out this form completely with all of the appropriate information and include it with your package. You can expect products to be fixed or replaced within 7 – 14 business days. Customers are responsible for shipping costs to Cast LLC. We recommend using a carrier that can provide you with tracking information to assist with a faster return. If you have any questions do not hesitate to contact us at **Warranty@casttouring.com**
